The book of Exodus recounts the most important event in Israel's history: their escape from slavery in Egypt. It seems like ancient history, but the God who delivered Israel is the God who delivers us still today. As we study the story of the Exodus, we'll see that God doesn't just deliver us *from* something – like our enslavement to sin. God also delivers us *for* something – the Promised Land of new beginnings, second chances, forgiveness, love, and a relationship with our creator and savior.

Exodus: Learning to Trust God is an 8-week study that begins September 24.
