

Food Service

St. Luke's may provide beverages or linens, which must be requested 2 weeks in advance.

Organizations may cater their event on site or order from a local restaurant. For events involving a caterer, St. Luke's requires a janitorial staff person on duty (See Janitorial Fee below). They will work with your licensed insured caterer and/or workers to ensure your event runs smoothly. Catering Licenses and proof of insurance must be on file 2 weeks prior to the event. A list of approved caterers can be provided upon request.
